42	NO	A billionaire-funded trick that aims to cancel out Prop 40 and wastes taxpayer dollars.

Vote YES on Prop 40, the California Billionaire Tax!

Trump's "Big, Ugly Bill" slashed funding for healthcare in California to pay for more billionaire tax breaks. These cuts **eliminate healthcare coverage for up to 3.4 million Californians** and double health insurance premiums for millions more.

Prop 40 will make billionaires finally pay their fair share in taxes to keep local hospitals and ERs open and healthcare affordable for millions of Californians. Vote YES on Prop 40 to save lives, tax billionaires!

Why we need Prop 40: Trump's massive federal healthcare cuts have caused a crisis. Clinics across California are closing. Hospitals are laying off workers and cutting life-saving services. Working families' healthcare costs are skyrocketing.

How Prop 40 works: Voting YES makes **approximately 200 California billionaires** pay a modest, one-time tax to keep local hospitals and ERs open and healthcare affordable for millions of Californians. It's paid **ONLY** by Californians worth more than \$1 billion.

What Prop 40 does: It raises about \$100 billion to replace the healthcare funding Trump and his billionaire donors took from working people. The funds will go to life-saving medical care for seniors, veterans, and families. It will allow millions of Californians to keep their health insurance and not see their premiums skyrocket.

Don't fall for the billionaire lies about Prop 40.

- Prop 40 **cannot** be applied to any other taxpayers – it's a BILLIONAIRE tax, period. Working people already pay more than their fair share.
- Prop 40 **will not** drive wealth out of California. Investment is only increasing – our state drew 10x more venture capital than any other state this year.

Stand with Democrats, frontline healthcare workers, and union families!

Prop 40 is endorsed by:

- The California Democratic Party
- Senator Bernie Sanders
- Representative Ro Khanna
- The California Federation of Labor Unions (AFL-CIO)
- The California Nurses Association
- And many more!

Save lives. Tax billionaires. Vote YES on Prop 40!

Vote NO on Prop 41 and Prop 42

Don't be fooled: Props 41 and 42 are billionaire-funded initiatives designed specifically to undermine and undo Prop 40, the California Billionaire Tax.

Props 41 and 42 were put on the ballot for one reason – because billionaires don't want to pay their fair share. These initiatives were created to trick voters into making a billionaire tax impossible to enforce. **Vote NO on Props 41 and 42!**

Prop 41 is not really about audits. The billionaires behind this don't care about accountability for taxpayers – they've been getting out of paying their own taxes for years through loopholes and tax breaks.

Prop 41 isn't just a scheme, it's an expensive one. It requires pre-election and ongoing audits of state programs that are funded by new special taxes, costing the state time and money.

Prop 42 is not really about protecting Californians' retirement savings from new taxes.

The billionaires behind this don't care about protecting Californians' retirement savings, they only care about undermining Prop 40 to avoid paying their fair share.

Prop 42 is a redundant, expensive trick to allow **approximately 200 billionaires** to keep avoiding paying their own taxes while working people get stuck with the bill.

- **Follow the money:** One of Prop 41 and 42's main funders is Google founder and Trump donor Sergey Brin, whose wealth has DOUBLED to nearly \$300 billion since Trump's election. Now he's spent over \$100 million to fund these sham measures that attempt to cancel out a billionaire tax.
- **Don't fall for the billionaires' lies:** These initiatives aren't about helping California taxpayers – they're about defeating one specific tax that billionaires want to avoid, because they would rather see millions of working people lose healthcare than pay a modest, one-time tax on their extreme wealth.

Props 41 and 42 are designed to conflict with Prop 40. In the event of competing initiatives, the ballot measure with the most votes becomes state law. So make sure you **vote YES for Prop 40 and vote NO on Props 41 and 42!**
